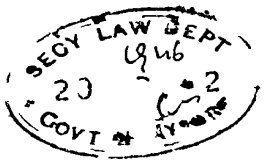
Retransmitted with compliments



I agree that arrangements should be made for rendering medical aid to the several villages mentioned in the petition This can easily be done by arranging for weekly visits by the nearest Sub Assistant Surgeons on payment of a suitable allowance It is reported that Kumbahal, Hosur and Honnehalli villages are situated within about 2 to 3 miles from Bhadravathi and about 8 miles from Lakkavalli The Sub Assistant Surgeon of Bhadravathi may therefore be required to pay visits to these villages, if the Village Panchayets agree to pay an allowance

11 Mallanahalli, Bellisara Singanamane, Shankaraghatta, Thavaraghatta and Vadiyur, are all situated within 5 miles from Lakkavalli and the Sub Assistant Surgeon of Lakkavalli can pay visits to these villages The question will be taken with the Deputy Commissioner and suitable proposals will be submitted to Government on receipt of the opinion of the Village Panchayets

12 In the meanwhile, the Sub Assistant Surgeon and the Midwife of Lakkavalli, are permitted to attend to emergencies at Sankaraghatta village and render medical and maternity aid to the people as the need for such aid is said to be urgent, the usual Travelling Allowance being given to them till the question of payment of an allowance is settled

Subject - Petition of villagers of Karnadal Hosur, Honnehatti, Gonibeedu and eleven other villages in Shimoga Taluk praying for the formation of a road and medical and Educational Facilities

---

With reference to your Official Memorandum No L 7291/En dated 12th February 1942 on the above subject, I have the honour to state that the petitioners' request for the formation of a road from Bhadra Anicut to Vadiyur village has been complied with and a sum of Rs 500/- has beensanctioned for this purpose from out of the Rural Reconstruction Grant sanctioned to this District during the current year The question of taking up this work under the Inter-Village Communication Scheme is under consideration

2 Regarding the question of opening a dispensary with a midwife at Shankaragatta the District Medical Officer, Shimoga, who was consulted in the matter has stated that most of the villages mentioned are within about five miles from Lakkavalli in Kadur District where there is no necessity for a new Dispensary in this area that the real difficulty seems to be that the villagers cannot get the services of the Sub Assistant Surgeon or the Midwife from Lakkavalli in case of emergency as the latter refuse to go beyond their jurisdiction to treat in cases of emergency this question will easily be solved I therefore request that the Senior Surgeon may be addressed in the matter of permitting the Doctor and the Midwife at Lakkavalli to attend cases in this area The question of arranging for the Weekly visits of the Sub Assistant Surgeon to any one of the above villages will be taken up if the permission sought for is accorded

Regarding

Regarding the question of opening a new School at Shankara-ghatta, the Elementary Education Officer, Shimoga, has intimated that the Director of Public Instruction in Mysore, has sanctioned a new school to Yellisara with effect from 1-5-1942 and that as Yellisara is only about a mile from Shankaragatta this will also serve the needs of the villagers of Shankaragatta

The petition in original, receivdd with your Official Memorandum under reference is returned herewith

I have the honour to be,
